

Hello, I'm Alessandra Galli

Industrial & product designer

Born in Como (Italy) on 20/12/1995

Spoken languages: Italian, English C1, Spanish A2, Dutch A1

About me

Hi, I am Alessandra, an Italian industrial designer in love with this discipline. I recently earned an MSc in Integrated Product Design from TU Delft, building on a Bachelor's in Product Design from NABA in Milan. I am ambitious and determined to always deliver the best result. I firmly believe that design is a discipline capable of simplifying complex problems and serves as a critical tool in enhancing the sustainability of our planet.

Address **Singelstraat 13, Delft (2613 EM)**
